SAFETY QR STICKER

You need to paste the QR code vehicle sticker/ bicycle or car QR sticker. In any case, if your bicycle/ car, issues like car parking, fire, threats, or any other issues, a Nek Insan, Police officials, or any other authorized officials can reach you by scanning your QR code vehicle sticker.
You will also be notified the moment a QR code vehicle sticker like a QR code sticker for cars/ bicycles gets scanned, such as who and the location where it was scanned.
You can keep your contact information hidden in the premium service. An IVR number of 6 digits will be displayed in case the Nek Insan or officials do not have a smartphone or are not in a zone of the internet.

Sincerely,

NEK INSAN
